Identifying Your Product Using the Serial Number

The Projector Wall Mounts for the SMART Board 560 and 580 do not have serial numbers. To identify whether you have the PMWT-560 or the PMWT-580, check the serial number of the SMART Board interactive whiteboard that is mounted with this product.

You can find the serial number on the bottom of the interactive whiteboard (towards the right, near where the cable plugs in). An example of the serial number format is shown below.

Product Model Number

Unique Serial Number

SB560-XXXXXX

NOTE: You can only use the Projector Wall Mounts to mount an NEC WT560 projector.
