Hardware Environmental Compliance

SMART Technologies supports global efforts to ensure that electronic equipment is manufactured, sold and disposed of in a safe and environmentally friendly manner.

**Waste Electrical and Electronic Equipment Regulations (WEEE Directive)**

Waste Electrical and Electronic Equipment regulations apply to all electrical and electronic equipment sold within the European Union. When you dispose of any electrical or electronic equipment, including SMART Technologies products, we strongly encourage you to properly recycle the electronic product when it has reached end of its life. If you require further information, please contact your reseller or SMART Technologies for information on which recycling agency to contact.

**Restriction of Certain Hazardous Substances (RoHS Directive)**

This product meets the requirements of the European Union's Restriction of Certain Hazardous Substances (RoHS) Directive 2002/95/EC. Consequently, this product also complies with other regulations that have arisen in various geographical areas, and that reference the European Union's RoHS directive.

**Batteries**

Batteries are regulated in many countries. Check with your reseller to find out how to recycle used batteries.

**Packaging**

Many countries have regulations restricting the use of certain heavy metals in product packaging. The packaging used by SMART Technologies to ship products complies with packaging laws.
