# SMART Board® 8055ie-SMP interactive flat panel cabling guide

Your SMART Board® 8055ie-SMP interactive flat panel with appliance includes the following:

- Four terminal connection panels, enabling you to connect speakers, the included appliance, a guest laptop, cabling for another laptop (installed solution) and other peripheral devices such as DVD/Blu-ray™ players and VCRs
- SMART Meeting Pro™ software pre-installed on included appliance
- A SMART GoWire™ auto-launch cable with SMART Meeting Pro software to connect to a guest laptop
- A CAT 5 USB extender to extend your USB connection up to 52' (16 m)
