

Comparison

SMART Board™ 600 and SBD600 Series Interactive Whiteboards

SMART Board™ interactive whiteboards are now available in two series. The SMART Board 600 series is the standard and most popular interactive whiteboard; the SBD600 series features Dual-User mode, which enables two people to touch or write simultaneously on either side of the interactive screen in SMART Notebook software.

The feature comparison below provides further detail on the differences between the two series.

Feature	SMART Board 600 series interactive whiteboards	SMART Board SBD600 series interactive whiteboards
