

## Specifications

# SMART TeamWorks 4

## Overview

SMART TeamWorks™ 4 software is designed to leverage the power of SMART Board® interactive displays for fast, flexible, and limitless collaboration. With one-touch meeting launch, a connected whiteboard, wireless screen sharing, and customized PDF summaries, SMART TeamWorks meets all your visual collaboration needs.

You can download SMART TeamWorks from [smarttech.com/products/business-software/smart-teamworks/download](https://smarttech.com/products/business-software/smart-teamworks/download).
